FMC SUBRULE: 34-F01

FOR EXPLANATION OF SYMBOLS, SEE PAGE 0-A (AFTER TITLE PAGE)

Information submitted by the insurance company and/or the managing general agent concerning the number of insured drivers will be compared to the Port's identification system as to the number of issued Port ID cards. Discrepancies will result in a suspension of the permit which will be effective two (2) business days after identification and notice of the discrepancy is provided to the permit holder and such discrepancy is not remedied within those two (2) business days. The permit shall remain suspended until such time the insurance coverage is sufficient and certified by the insurance company and/or the managing general agent. Discrepancies identified on Fridays or during holiday time off will receive special consideration.

In the case of any discrepancies not cured within two (2) business days, or in the event a permit holder has a discrepancy more than twice in a fiscal year, a fine of \$3,000 will be assessed for the first violation. The second violation will result in the revocation of the permit.

A cartage company's failure to report a change in an employee's work status (termination) within 7 days after the change may result in revocation of the Port of Miami business permit.

Reactivation and addition of any cartage company's drivers will be granted only if confirmation is received from the Permit Section verifying that the cartage company is in compliance with the insurance requirements.

Failure to return all seaport credentials immediately upon expiration of card or termination of the employee will result in a fine of \$100 per ID card to be paid by the cartage company.

If a driver and truck fail to prove insurance coverage on any spot check while at the Port, the vehicle and driver will be required to leave the Port immediately.

All drivers renewing their Port identification cards must show proof of insurance and/or approval of insurance to POM Security Operations – Identification & Credentialing Section.
